### **Advanced Power Yoga**

An active athletic style of yoga combining several forms of vinyasa. Challenging class that moves quickly through poses and holding inversions.

#### **AquaFit**

A challenging water aerobics class that combines cardio strengthening & toning exercises for a full body workout.

#### Athletic Pilates

Strengthen & tone the entire body to maximize core stability, flexibility, strength & muscle tone.

## **Body Ball Blast**

You'll have a ball at this class! Great cardio workout and tonina exercises - all using the stability ball.

## **CAC Cycle**

Indoor cycling class takes you uphill, downhill & back again for the ultimate cardio workout. All fitness levels welcome!

### Cardio Dance

This is a cardio style work out utilizing fun dance movements set to music to elevate your heart rate, improve balance, coordination, and help boost mood!

### Cardio Mix!

A variety of step aerobics & slides all of which will include resistance training & stability balls for a full body workout.

#### Cardio Sculpt

Cardio class that involves strength training, including multi-muscle exercises to tone & strengthen the body & keep your heart rate elevated.

#### Cycle Burn

Spin your way through major calorie burn, increase core strength & tone major muscles with this high energy cycle class. Intervals with light pound weights for a great workout.

#### **Fusion Strenath**

Total body strength using a combination of fitness formats to build strength, balance, & total fitness.

### Intro to Power Yoga & Core

Slightly more advanced yoga with focus on inversion poses.

### Interval POWER Hour

High energy cardio intervals with strength training for a full body burn while building strong muscles. No shortage of variety in this upbeat, fast-paced workout. All fitness levels

### **Power Splash**

Combination cardio & strength training using weights & water resistance. If you thought water wasn't challenging, think again.

### **Prana Flow Yoga**

Connect body and mind with this rhythmic flow yoga class.

**Roll & Stretch** Release tension & soothe tight muscles using the foam roller, increase flexibility & range of motion with stretching.

#### Slow-Lift

This sculpting class focuses on slow intervals of weight resistance & training emphasizing form & fundamentals.

### Spinning

Start off your morning with this energizing spin class – sure to rev up your metabolism!

### Step Interval

A refreshing take on your average step class, this combination of weight & resistance gives you an intense, total body workout.

## Strength

A resistance training class to boost metabolism by building muscle. Challenge your strength using dumbbell's, bodyweight, stability balls and a variety of equipment.

### Strength & Abs

Strengthen & tone muscles and develop a strong core.

#### Stretchina

Improve flexibility, range of motion, overall joint & muscle elasticity.

#### Tabata Trainina

High intensity interval training class consisting of intense cardio sessions combined with brief periods of rest.

#### Total Body Fit

Low impact cardio & sculpting intervals – perfect formula for your total best body results.

#### Trekking & Strength

This interval treadmill class with weights will help you get in shape in no time. Great for all fitness levels

# True Grit Boot Camp

Cardio combined with strength training to rev up your metabolism & build strong muscles

## Walking with Diane

Weather permitting, fast-paced outdoor walking. (No class held in inclement weather, call or check facebook for updates.)

### Yoga

All level class using controlled movements to focus on breathing, balance, posture and relaxation in an energized environment.

### Yoga Fusion

Combing the benefits of yoga, strength and pilates to create strong core and spinal muscles.

## Yoga Sculpt

All Levels. This unique class combines metabolic body weight movements, strength exercises, along with the traditional mindful movement of yoga to strengthen muscles and improve balance.
